IMPORTANT FOR SENIORS!

If you are applying to the University of Utah, there have been 2 big changes to the application process.

1. The priority admissions application deadline is **November 1st** for ALL applicants not just Honors College which is a month earlier than last year. In order to be considered for Merit Scholarships, you need to apply to the University of Utah before November 1st. Students, please make sure your transcript looks the way you want it to before that day.
2. The U is now using the Common Application for admission:
